Alexandria, VA 22313-1450

SUBMISSION OF SWORN TRANSLATION OF PRIORITY DOCUMENT

Sir:

Enclosed herewith is a sworn English-language translation of Japanese Patent Application No. 2002-273023, filed September 19, 2002, from which application the above-identified application claims priority under 35 U.S.C. § 119. Also enclosed is a Declaration regarding the accuracy of the translation, as required by MPEP §201.15, Original Eighth Edition, August 2007 revision, pp. 200-98 and 99. Accordingly, the Takahashi et al. patent is no longer a reference against this case, since it was filed on January 22, 2003, which is after the September 19, 2002 filing date of Japanese Patent Application No. 2002-273023. Therefore, Applicant respectfully requests that the rejection of Claims 1-6 under 35 U.S.C. § 103 over the Takahashi et al. patent in view of the Orava et al. patent be withdrawn.

Applicant's undersigned attorney may be reached in our Washington, D.C. office by telephone at (202) 530-1010. All correspondence should continue to be directed to our New York office at the below-listed address.

Respectfully submitted,

/Gary M. Jacobs/
